RE: COVID -19 / 04 /2020 – 26th March 2020 – New Schedule and Waiver and Cancellation Policy

With the rise in the outbreak of the coronavirus (COVID-19) globally and numerous travel restrictions from various Governments, demand for air travel across the world has declined significantly. Royal Brunei will therefore operate a revised and substantially reduced flying program across March and April.

A new temporary flying program is in operation until 30th April 2020, from Brunei to and from Singapore, Melbourne, Hong Kong and Manila. The London to Brunei flight will not operate during this period.

Full details of the schedule are available on RB's dedicated web pages www.flyRB.com/Covid-19 where regular future updates will also be made – your trade sales team will also keep you updated.

We wish to thank all of our trade partners for your support at this challenging time for the travel industry and all airlines.
