

Passenger Guidelines

Updated 02 April 2020

Please refer to 'Tracked Changes' in the appendix which summarises changes between v1.4 and v1.5.

The safety and wellbeing of our customers is of paramount importance to Qatar Airways. We are in this together and to support you through the rapidly changing COVID19 situation, we issued a number of commercial policies to support our customers and agency partners. To ensure clarity and transparency for you and your teams, this Passenger Guidelines (Ref No. 1059) is our consolidated and most up to date policy which supersedes all others. This document will be updated and shared regularly while the latest travel information will always be available on the Qatar Airways website. Our 'Travel with Confidence' policy (Ref No. 1052) is a supplement to this guideline.

The table below outlines the scenarios covered under this policy, the applicability period and options available.
