

Extension to PW Waiver, Cancellation & Refund Policy due to COVID-19 virus

WITHOUT PREJUDICE

Where an extension is required to the rebooking of tickets which go beyond the previously advised guidelines, we would be delighted to offer more assistance in the administration of the process according to the rules and regulations governing the fares.

Precision Air has slightly altered their policy regarding the flexibility of the alteration of your clients travel dates in 2020. We will now accept any bookings for 2021 that were originally made for travel in 2020.

If the bookings are altered before 30 June 2020 then there will be no additional payment and no alteration fees.

To ensure further flexibility to the duration of the tickets and to enable the facility for clients to rebook at a later date, please be advised that the information below can now be applied to the reissuance of tickets:

1. For the alteration of travel dates beyond the GDS system range, please forward the PNRs with the new travel dates before the cut-off date 30 June 2020 to info@aviateworld.com
2. Two free changes will be permitted to the travel date and reissues prior to 30 June 2020
3. An EMD travel voucher, valid for one year from the date of travel in some circumstances will be issued by Precision Air.
