[c] Ticket Handling Procedure

- Involuntary reservation change or refund will be applicable for the conditions described in the tables below.

- Please note that if you make a reservation change / refund that does not meet the conditions outlined, an ADM will be issued even if reissued / refunded using the code **"WI2001"**.

- If changing the booking, please make a new booking, and reissue it within one year from the date of ticket issuance (or within one year from the date of reissue for reissued tickets).

- If refunding the booking, please refund by the refund validity.

- Please be sure to inform the passenger(s) of the validity of reservation change / refund and note that changes and refunds will not be possible after this deadline.
