

TWP 2101: Rebooking options for existing bookings (tickets issued on/before 31 August 2020)

Unfortunately, the pandemic continues to have a firm grip on our lives. In the current situation, many of your customers may want to postpone their booked trips without time pressure. Therefore, the airlines of the Lufthansa Group are offering a new, simplified goodwill policy (TWP 2101). The rebooking/reissue of tickets issued up to and including 31 August 2020 is now possible through 31 May 2021.

Note: As of 21 January 2021, the previously published goodwill rules TWP 2011 and TWP 2013 will no longer be valid.

The fare conditions for tickets issued on/after 25 August 2020 offer flexible rebooking options. As these fares can be rebooked as often as necessary and without a change fee, no goodwill policy is required for this period.

Please note: The date of ticket issue always refers to the present ticket, i.e.:

- If the ticket has not yet been reissued: date of original ticket issue
- If the ticket has already been reissued: date of the reissue

The goodwill policy (TWP 2101) at-a-glance:
