1. UPDATE ON TRAVEL RESTRICTIONS AND MANDATORY REQUIREMENTS FOR ARRIVING PASSENGERS IN INDONESIA

The Indonesia Government has extended entry restrictions from **February 9, 2021 until further notice** and shall be evaluated every 14 days:

- Non-Indonesian nationals holding a legal and valid Visa and/or Stay Permit will be allowed to enter the Indonesian Territory through designated Immigration Border Controls after undergoing the health protocol procedure.
- Visa and/or Stay Permit consist of:
 - Official Visa;
 - Diplomatic Visa;
 - Official Stay Permit;
 - Diplomatic Stay Permit;
 - Service Stay Permit
 - Temporary Stay Permit (KITAS); and
 - Permanent Stay Permit (KITAP).
- The Minister temporarily suspends to grant a Visitor Visa exemption and Visa on Arrival to non-Indonesian nationals until the Covid-19 pandemic is declared over by the ministry or agency mitigating the Covid-19 outbreak.
- The temporary suspension of Visitor Visa Exemption is not applicable for crew members arriving by their transports.
- Diplomatic Visa and Official Visa exemption are arranged by the minister administering government affairs in foreign affairs.

COVID-19 HEALTH REQUIREMENTS

- Effective immediately, ALL passengers must have a medical certificate with a **negative Coronavirus (COVID-19) PCR test result valid for 3 days (3x24 hours) prior to arrival.**
 - Passenger must have a health certificate in English issued by the health authorities of their respective country that is issued within 3 days (3x24 hours), states that the passenger is free from COVID-19
 - This does not apply to infants and children below 12 years old.

2. UPDATES ON BORDER MEASURES AND TRAVEL INSURANCE FOR PASSENGERS ARRIVING INTO SINGAPORE

With reference to PAL News Ref **ADV INTLN21-008 31 JAN 2021**, kindly see additional EXEMPTIONS from Multi Ministry Taskforce and Civil Aviation Authority of Singapore effective immediately:

ON-ARRIVAL TESTING FOR TRAVELERS

Currently, Singapore requires all travelers who are not Singapore Citizens (SCs) or Permanent Residents (PRs), and who have recent travel history to high-risk countries/regions, to take a COVID-19 Polymerase Chain Reaction (PCR) test within 72 hours before departure. These travelers are then required to serve their Stay-Home Notice (SHN) upon arrival in Singapore, and they are tested at the end of their SHN.

From 24 January 2021, 2359 hours, all travelers including Singapore Citizens (SCs) and Permanent Residents (PRs) **will need to take a COVID-19 PCR test upon arrival at Changi Airport, Singapore**. Passengers who are **exempted** from PCR test upon arrival are:

- a) Passengers aged six and below in the calendar year (e.g, those born in 2015 to 2021 are exempted);
- b) Ships' crew; and
- c) Work Permit and S-Pass holders from the Construction, Marine and Process (CMP) sectors
- d) Foreign Domestic Workers and Confinement Nannies**

The prevailing Stay-Home-Notice requirements, including the PCR test at the end of the SHN, will continue.

To expedite the COVID-19 PCR test at the airport, travelers are strongly encouraged **to register and pre-pay for their on-arrival COVID-19 PCR test prior to departing for Singapore at <https://safetravel.changiairport.com>**.

For reference, please check Summary Table on SHN and swab requirements and procedures for travelers to Singapore here:

INSURANCE COVERAGE

From 31 January 2021, 2359 hours, visitors applying to enter Singapore under the **Air Travel Pass (ATP)** and **Reciprocal Green Lanes (RGLs)** will need to have travel insurance for their COVID-19-related medical treatment and hospitalization costs in Singapore, with a **minimum coverage of S\$30,000**. The travel insurance will help them pay for the costs of their medical treatment in Singapore. The visitors can purchase the travel insurance from Singapore-based or overseas insurers. A list of available insurance products can be found at the SafeTravel website (<https://safetravel.ica.gov.sg/health>).
