

WestJet COVID-19 air refund policy

Updated March 16, 2021

Due to the ever-changing COVID-19 situation, we are now able to offer the option for a refund to original form of payment for guests who had a journey that included wholly Canadian domestic, Caribbean/Mexico, European Union (E.U.), United Kingdom (U.K.) or United States (U.S.) flight segment(s) that were cancelled by WestJet (UN, UC or NO) due to our temporary schedule change.

You and your client have the option of retaining the full ticket value up to 24 months for a future flight or refunding to original form of payment. If your client prefers a refund to original form of payment, please follow the processes outlined below.

It will take us many months to clear the backlog. We appreciate you and your clients' patience as our teams ramp up our capabilities to provide refunds at this scale.

Note: If your client chose to voluntarily cancel their booking, they are not eligible for a refund to original form of payment unless they purchased a refundable fare. For more details on refundable fares, view our [Other refund policies](#) document on the travel agent resource site.

IMPORTANT: Please review in detail the criteria for which you can submit a request for refund. Requests for refunds received outside these guidelines will be rejected.
