## Lots more choice to The Maldives

Dear Travel Partner,

- From 20 FEB '22 we are operating 4 flights per day, using 3 x Boeing 777 as well as 1 x A320. The B777's are new additions to the fleet, having previously been operated by Cathay Pacific. They will be fully operated by QR crews, and feature all the usual Qatar Airways 5-star services including in-flight entertainment.
  - \*New\* to The Maldives will be a First Class Cabin !**
- Customers from LHR can now travel First Class all the way when connecting from QR's A380 service.
- First Class : exclusively just 6 seats, fully flat beds, configured 1-1-1
- Business Class : 53 seats, fully flat bed all with aisle access, configured 1-2-1
- Economy Class : 235 seats all with personal TV screens & charging points
