A 'Farm-to-Fork' ethos, all of our menus are produce-led, driven by what's readily available on the island, championing the flavour-rich bounty of Grenada's rich volcanic soil. The majority of our fruits, vegetables and spices are sourced from our family organic-certified farm, L'Esterre, at the north of the island.

## IZAKAYA

Indulge in the carefully curated menu of Izakaya, our brand-new Japanese-inspired restaurant at the Main Pool.

An izakaya is a type of informal Japanese bar. Our take on this concept encompasses Japanese and contemporary dishes using local produce and seafood, and locally sourced speciality products. The best way to enjoy the Izakaya experience is to order a variety of dishes and share it amongst your party. We recommend four to five dishes per couple.

### OPENING HOURS:

17:00 - 22:00

Open on Mon, Wed, Fri, Sat & Sun evenings.
