	<ul style="list-style-type: none"> Date change, passenger may choose a different date other than proposed (no fare difference applicable if the new date is +/- 7 days from original date) Passenger may also change destination (no fare difference applicable if the new destination is +/- 7 days from original date in the same country, otherwise the fare difference applies) 	W2324DAY
	<ul style="list-style-type: none"> Change of flight number 	W2324NUM
From 01MAY23 to 31OCT23	<ul style="list-style-type: none"> Date change accepted by pax 	S23RIS
	<ul style="list-style-type: none"> Date change, passenger may choose a different date other than proposed (no fare difference applicable if the new date is +/- 7 days from original date) Passenger may also change destination (no fare difference applicable if the new destination is +/- 7 days from original date in the same country, otherwise the fare difference applies) 	S23DAY
	<ul style="list-style-type: none"> Change of flight number 	S23NUM

Conditions:

- In the case of an involuntary change (change of schedule, flight cancellation by the company, change of aircraft, etc.), the customer must accept or reject the proposed change with the travel agent within a maximum of 28 days from the notification.
- Once the change is confirmed and made, the ticket must be issued immediately, otherwise the reservation may be cancelled.**
- These generic waiver codes may only be used for the reasons listed in this memo and will not be accepted for any other situation.
- Rebooking procedure:** Travel agencies may make changes to their booking and reissue tickets on an even exchange basis and by entering the waiver code in the endorsement box of the reissued ticket
- Refund procedure:** Travel agencies may self-refund tickets by entering the waiver code in the Waiver Code box, Reason code field or Refund application Box
- Disclaimer:** ADM disputes will not be honored if the above process was not fully respected
