Subject: Consolidation of Flights and Time Changes Re-accommodation Policy

South African Airways continuously strives to keep you abreast of any forecasted changes that might affect the travel plans of our mutual customers. Due to operational reasons, we envisage some consolidation or time change on certain routes and flights effective **13 Dec'23 –30 Mar'24**. SAA prides itself on providing the travelling public a fleet that performs optimally and to this end will adjust the flying program to accommodate this requirement.

Customers booked to fly on our services on the affected day will be re-accommodated to the next available flights operated by SAA. We urge our trade partners to manage their booking queues and communicate these changes to our valued customers accordingly.

Assistance for SAA Customers:
